

Aboriginal Family Support Services
Together with the community

Case Manager

Stronger Families- Intensive Family Service & Reunification

Whyalla

Salary Range \$93,880- \$98,128 | Full time

Aboriginal and Torres Strait Islander people are strongly encouraged to apply.

Aboriginal Family Support Services (AFSS) has been serving South Australian Aboriginal communities for over 40 years. We are passionate and committed to working with families and community to keep children safe in family, culture.

The Intensive Family Service

Walks alongside families who are facing complex challenges that are placing them at risk of entering the Child Protection system. We provide intensive, in home case management support to assist families to create plans and develop new ways of managing to allow them to keep their kids safe.

Reunification Service

Accepts referrals from DCP to work with families to address Child Protection Concerns and build new skills to allow children to return to their care.

This program provides intensive case management support to work with families so they can address the issues that lead to removal, recognize and build on their strengths and support positive relationships with their kids

As a Case Manager you will

Be based in Whyalla and reporting to the Senior Manager, Therapeutic Services, this role involves intensive home based case work, working in a strengths based way, with families who are facing a range of challenges that place them at risk of entering the Child Protection system. This challenging but rewarding role will see you working with families in crisis and helping them find their own solutions to safety and improved wellbeing. Therapeutic, assertive and family focused casework is used to support families to address child protection concerns so children can remain safely in their care. Where funding allows you may also supervise and lead a small team of Case Workers.

What you need

- Experience supervising and leading small teams.
- A Minimum Certificate IV in Child, Youth & Family Intervention (or similar, as required by our funding contracts)
- A South Australian Working with Children Check (WWCC)
- An NDIS Employment Clearance
- National Police Check
- A Safe Environments for Children and Young People – Through their eyes Certificate
- A current South Australia Drivers License
- Confirmation of being fully vaccinated against Covid 19 or medical exemption
- Unrestricted eligibility to work in Australia

Don't have a WWCC & NDISWC? You can apply on-line at www.sa.gov.au/screening

Ideally You Will Also Have

- Qualifications in Social Work, Social Sciences or Community Services or similar

If this sounds like you scroll down to view the Job & Person Specification

Then tell us in a 2 page cover letter (addressing the KRA's found in the J&P) why you are a good fit for this job and send this with your resume to recruitment@afss.com.au

For more information please call Andrew Peacock on **0484 928 723** (Mon to Fri 9am – 5pm)

Applications close 9am Wednesday 24 April 2024

Please note: Previous Applicants need not apply

We look forward to receiving your application, however if you do not provide a 2 page cover letter address your skills and experience against the Job and Person Specification we are unlikely to consider your application. AFSS reserves the right to commence interviews prior to closing date, and may fill the role if a suitable candidate is identified.

Aboriginal Family Support Services

Job and Person Specifications

Job Title: Case Manager - Stronger Families – Whyalla

Program Overview	<p>Aboriginal Family Support Services Stronger Families Program is committed to either keeping children safely at home with their families or, if they have been removed, to have them returned to their family's safe care. We are committed to empower families to cope with the challenges they are facing. We seek to preserve and strengthen family relationships to ensure children and young people live in safe, secure and stable homes.</p> <p>There are 3 services within Stronger Families – Together with Family Service, Intensive Family Service and Reunification Service.</p>
Position Objective	<p>The Case Manager is responsible for the day to day program delivery in the region. This may be for one of the service streams, or a combination of some/all, depending on the funding in the region.</p> <p>This includes the supervision of a small team, providing case direction and supervision to the Case Worker(s).</p> <p>The Case Manager works closely with the Senior Manager Therapeutic Services, and the Quality and Accountability Officer, to ensure the consistent implementation of child centred, family focussed trauma informed case work across all cases and seeks to ensure the continued development of positive relationships with our funding partners; Department of Human Services (DHS) and Department of Child Protection (DCP). Where the program has a very small team the Case Manager will also carry a caseload.</p>
Reporting Relationships	<p>The Case Manager reports to the Senior Manager, Therapeutic Services. In some regions there may be a regional manager, responsible for operational management.</p> <p>The Case Manager is responsible for the supervision of the Stronger Families Case Worker(s) in their region.</p>
Funding	<p>This role is funded by Department of Human Services and or Department of Child Protection.</p>
Award/Salary	<p>Social, Community, Home Care and Disability Services Industry Award 2010 Salary Range: Level 5</p>
The Job	<p>Job Specification</p>
Key Result Areas	<p>The Key Result Areas outline the key expectations of the employee. They align with the requirements of the Stronger Families Funding Agreement with the Department of Human Services, with AFSS Strategic and Operational Plans and AFSS Policies and Procedures. The employee will be required to participate in regular supervision against each of the Key Result Areas as detailed below.</p>

Aboriginal Family Support Services

Job and Person Specifications

<p><u>Key Result Area One</u> Cultural awareness and sensitivity</p>	<p>Relate positively and respectfully to Aboriginal people and communities, be open to listen and learn, show humility and be non-judgemental and sensitive to individual and community needs. Provide Culturally Responsive service and interventions to Aboriginal children and families. Advocate for the consistent consideration, and application of the Aboriginal and Torres Strait Islander Child Placement Principle.</p>
<p><u>Key Result Area Two</u> Management and Supervision</p>	<p>Provide regular and consistent practice supervision for the Case Worker(s) in the team (where funding allows) Participate in processes to negotiate and advocate on behalf of individuals and the broader community. Provide management and leadership to a small team. Tasks include delegation, management of staff, team building and conflict resolution (where funding allows for a team) Initiate, develop and maintain positive working relationships with key internal and external stakeholders</p>
<p><u>Key Result Area Three</u> Understanding and application of theory</p>	<p>Link practice and decision making to current theory in the child protection/child development/ family support areas. Engage staff in reflective practice and provide guidance through complex case management (where funding allows). Integrate new frameworks and theories into practice and support staff to do so as well Understand and use a range of applicable theories in guiding the engagement process, assessment, goal setting, interventions and review of progress in working with individual clients, families and communities An understanding of the complex, intertwined issues facing families engaged with the child protection system such as impact of abuse and trauma, attachment theory, Loss and Grief, Alcohol and Other Drugs, child and adolescent development, Family Violence and others.</p>
<p><u>Key Result Area Four</u> Relationships and Accountability</p>	<p>Working with both internal and external stakeholders to establish and maintain positive partnerships. Positively engage with individuals from a diverse range of backgrounds, including professionals, carers, parents and young people. Ensure workload and work flow is managed across the team, reporting deadlines are met, databases are kept up to date and other administrative tasks are completed within expected timeframes. Maintain a caseload and ensure accountability to those families and the care team. Working with families in their homes, other community settings and supporting clients to access a range of services is required by this role. Work outside of standard hours may be required to meet the needs of families.</p>
<p><u>Key Result Area Five</u> Administration and Transparency</p>	<p>Actively manage the completion of administrative tasks including data reporting and the use of AFSS processes and tools to manage workloads and priorities: Submitting high quality reports that are factual, clear and concise and adequately respond to the information required by the funding body</p>
